RE: Vallecitos Water District 2020 Urban Water Management Plan Update

Dear Mr. Chadwick:

This letter is to notify your agency that the Vallecitos Water District (VWD) is reviewing and considering amendments to its Urban Water Management Plan (UWMP). This plan is updated every 5 years as required pursuant to California State Water Code Section 10610-10610.4, and addresses water supply reliability and management by VWD for at least the next twenty (20) years. VWD will be adopting the Water Shortage Contingency Plan as part of the 2020 UWMP process.

VWD will distribute a copy of its draft 2020 UWMP update to the cities, county, neighboring water agencies within its service area for public review at least two weeks prior to holding a tentatively scheduled public hearing on June 2, 2021 at the VWD administrative headquarters or virtually if in person meetings have not resumed. Meetings are held at 5:00 p.m. VWD must submit the adopted UWMP to the California Department of Water Resources by July 1, 2021.

VWD's draft 2020 UWMP update is currently under development and public input is welcomed during the preparation process and at the public hearing. Once the draft 2020 UWMP update has been released, it will be made available online at www.vwd.org. For questions or other inquiries, please contact me at (760) 744-0460 or jgumpel@vwd.org.
