California Public Records Act Boundaries/Guidelines

As required by the California Public Records Act (CPRA), found in Government Code §7920 et. seq., special district records are subject to public review and scrutiny. The public may request copies of records in the possession of a special district, including records that may be stored or transmitted on a Board Director's personal device or account that are related to district business. Types of records include emails related to District business and Board Directors' water utility bills. It is recommended special districts consult legal counsel as necessary in response to specific public records act requests.
